Humanity.

Ruth & Norman Rales Jewish Family Services
Ruth & Norman Rales Jewish Family Services (JFS) provides help, hope and humanity through our comprehensive range of programs and services which support people of all ages and beliefs.

With locations in Boca Raton and Delray Beach, JFS programs and services include food & financial assistance, senior services, counseling & mental health services, career & employment services, family & children’s services, as well as many volunteer opportunities.

Funding is provided by individuals, corporations, grants, special events and donors who support our mission and bring hope to thousands in need.

The first few months of the fiscal year were used for planning our 40th Anniversary Celebration which kicked off with an announcement at the 2018 JFS Annual Gala that throughout 2019 we would be celebrating our 40 years of serving the community. It was also announced that JFS had established a “40th Anniversary Fund” with a challenge grant from the Estate of Madeleine (z’l) and Eugene Pargh (z’l) who made a generous $400K gift and asked the community to match them. Gifts made to the 40th Anniversary Fund will be used to support current and future programs at the agency. Donations to the 40th Anniversary Fund were collected throughout the 2019 calendar year. In total over $1M was contributed to the fund!

Our participation in the “Leave a Legacy” program continued and during this fiscal year. JFS was able to secure five new expectancies totaling $770K, bringing total expectancies to $14.4M. Of this, $100K was realized during the fiscal year, bringing our total endowment funds to $12.5M, as of the August 31, 2019.

Recognizing the continued needs of our Holocaust Survivor clients, JFS received additional funding from the Claims Conference for our Holocaust Survivor Assistance Program. In addition, as a result of grass roots efforts by many of our donors and supporters, we were able to successfully maintain the current State of Florida funding for this program during the budgeting cycle, including an allocation for “Rales Rides Senior Transportation” to bring older adults to the Shirley & Barton Weisman Delray Community Center.

JFS at Home, Inc. completed its repayment of their loan from JFS which was utilized for start-up and operating costs, and was able to make an additional contribution of $250K to JFS during the 2019 fiscal year. JFS continues to be a great partner of JFS at Home, Inc. as we strive to continue as the premiere human service agency serving our community.

The programs under the Center for Families and Children continue to have a great impact on the community, including an expansion of the Domestic Abuse Education & Action program and $212,000 in summer camp scholarships provided for the summer of 2019.

In recognition of their parents’ long standing commitment to JFS and the Jacobson Family Food Pantry, the grocery area in the pantry was renamed the “Pargh Family Grocery.” This same year, the Meals on Wheels Program was renamed the “Adele Loeb and Les Nackman Meals on Wheels Program” providing over 39,000 meals to homebound seniors in partnership with the Jewish Association of Residential Care (JARC).

JFS continues to maintain a 4-Star Charity Rating from Charity Navigator, as well as the coveted “Top Workplace” recognition from the Sun Sentinel.

None of these accomplishments could ever have been achieved without the efforts of our dedicated staff, Board of Directors, volunteers and YOU, our generous supporters. Thank you for your generosity in support of our work.

Sincerely,

Lisa Goodman

### Footnotes:
- During the 2018-19 fiscal year, JFS had a non-operating transaction resulting in a large increase in temporarily restricted revenue for the year which included a multi-year commitment which will show as a receivable.
JFS provides a lifeline to individuals and families in crisis, providing emergency funds for basic necessities and other needs, including families with special needs children. The Jacobson Family Food Pantry provides bi-monthly food packages to qualified seniors, individuals and families. The Adele Loeb & Les Nackman Meals on Wheels Program provides prepared meals to those seniors who are no longer able to cook for themselves.

Phil is a 70-year-old man who is legally blind and deaf, making it very difficult for him to hold a job. With no family in the area to help him and a modest income from social security, he struggled to perform his daily activities and make end's meet.

In 2014, Phil contacted JFS for help. He was quickly met with overwhelming support that continues to this day. The Jacobsen Family Food Pantry provides him access to greatly discounted groceries, and the Walgreens gift cards he receives from HOT senior Services allows him to purchase his necessary medication. With the help of Subsidized Home Care Services, he can complete his shopping and make all his medical appointments. He also receives in-home visits from Home Care Services to help him with everyday tasks such as bathing and cooking.

Phil enjoys regular conversations with our JFS Case Managers, to whom he constantly expresses his gratefulness and appreciation, saying that, without the help from these wonderful programs, he would not be able to live independently or maintain a high quality of life. He has come to recognize JFS as family.

JFS Would Like to Recognize:
The Jim Moran Foundation and the United Way of Palm Beach County for their support of the Adele Loeb & Les Nackman Meals on Wheels Program, Publix Super Markets Charities for providing senior supplemental nutrition and Hands on Tzedakah (HOT) for senior financial assistance.

A total of $410,000 in financial assistance was provided to individuals in crisis.

149 Jacobson Family Food Pantry Food Drives were held throughout the year.

175,000 pounds of food was distributed through the Jacobson Family Food Pantry.
Care specialists help seniors age in place safely for as long as possible with dignity and independence. Services include assessment and planning, care coordination, patient advocacy, information & referral, and many socialization opportunities. JFS is a vital link between loved ones living in our community and their families.

ZELDA

For Zelda, the terror and trauma of the past is never very far away. As a young child growing up in Berlin during World War II, Zelda and her family concealed their identities and lived on the run. Because of these experiences, home means everything to Zelda. Recently, Zelda was living comfortably in our community until she received abrupt notification from her landlord that she would have to move in two months. The gripping fear and anxiety of the past struck Zelda as she was faced with quickly packing her belongings and finding affordable housing. Fortunately, she was able to turn to JFS for help. Her Holocaust Case Manager and the Director of the Holocaust Survivor Person-Center Trauma worked diligently to locate reasonable housing, coordinate the move and support Zelda emotionally. We understood Zelda’s trauma, and were able to swiftly provide her the care, respect and resources she needed to solve her problem efficiently. Now, Zelda will never have to worry about having a home, allowing her to live out her remaining days comfortably.

Highlights

Nearly 400 Holocaust survivors were served through our Holocaust Survivor Assistance Program with more than $7.79 million dollars provided for homecare, personal care, cleaning services and emergency grants.

Over 1,000 members enjoy a variety of activities ranging from arts and culture to health and wellness, lectures, movies, entertainment and socialization. The Shirley & Barton Weisman Delray Community Center continues to provide a bright, cheery center for those 60 and over, where minds and bodies stay active and friendships are made. The JFS Rales Rides transportation program enables hundreds of seniors, who do not have their own transportation, access to the wealth of programs that take place at the Weisman Center.

Harriet and Issar Kotchen initially approached JFS to assist them with everyday aspects of their lives: as a developmentally challenged couple, they needed help maintaining their independence and quality of life from the comfort of their Delray home. They never expected that they would receive so much more.

Both made countless friends while participating in some of the many activities offered at the Weisman Community Center. Harriet joined the Weisman Chorus and began regularly performing concerts with the group, which became one of her most cherished memories. Issar also took on a volunteer job with the Center. Nothing made either happier than the warm greetings and appreciation they received from the staff. They received daily support from their CareLink Case Manager until Issar’s unfortunate passing. The staff at the Weisman Center quickly responded with unbridled support so that Harriet never suffered alone. She has recently relocated to a senior living facility, but still enjoys the wealth of activities at the Weisman Center thanks to Rales Rides Transportation.

JFS Would Like to Recognize:

The Rotary Club of Downtown Boca Raton for their support of our senior wellness programs.

The Palm Beach County Community Services Department for their support of our Aging in Place Program.

Membership exceeded 1,000 individuals.

100 Volunteers donated their time in a variety of ways at the WDCC.
JFS offers counseling to individuals and families (including children), and mental health programs including individual therapy, workshops, psychiatric assessments, medication management, psychological testing services and a free drop-in center for adults living with mental illness and/or developmental disabilities.

Erica is a 32 years of age female who was the victim of a horrific attack. Erica came to JFS seeking treatment because, after the attack, she started to experience vivid flashbacks, nightmares, avoidance, and extreme bouts of fear. All of which have led to difficulties in her personal and professional life.

For Erica, seeking treatment was very important. She knew that going through such a traumatic event was not easy. She was able to recognize the need for professional help. Erica was paired with a psychologist who worked with her using trauma-focused therapy to discuss and treat her symptoms. After five months, Erica’s commitment to treatment resulted in significant progress and reduction of symptoms. She now reports much fewer symptoms than before seeking help. Erica’s improvement was even more tangible when she was able to face her attacker in court without symptoms recurring. As a result of the dedicated support she received for her therapist and JFS counseling services as well as her commitment to therapy, Erica is well on her way to a full recovery.

Highlights

Nearly 9,500 sessions of individual and family therapy counseling, psychiatry and psychological testing were provided to 830 individuals and families.
Since its inception in 2013, the Center for Families & Children has experienced tremendous growth every year. Through the Center, JFS has been able to reach out and improve the lives of hundreds of families and children in our community, inclusive of families with special needs. This past year, in response to the continued upward trend of fatalities within our area from accidental opiate poisonings, JFS partnered with the Jewish Federation of South Palm Beach County to create “JFS CARES” (Community Awareness Resources and Education for those families struggling with Substance use disorders).

RIVA
DOMESTIC ABUSE EDUCATION AND ACTION

When Riva came to JFS at age 38, she had been married for several years. Her husband was emotionally, mentally and financially abusive, threatening divorce and restricting her access from family finances. One day, she returned home to discover that her husband had left her without warning, taking the children with him and refusing to disclose their whereabouts. He withheld financial support and she was forced to live with family members.

Riva eventually came to JFS for help. She received crisis counseling and she was able to find a job with the assistance she received for JFS Career and Employment Services. She also received financial aid so that she could get her own apartment. Riva attends our new Domestic Abuse Survivors support group. She is now working and living independently, has shared custody of her children, is continuing her own therapy, and working to obtain a legal divorce, all thanks to the support she received from JFS.

JFS Would Like to Recognize:
JFS would like to recognize the Jewish Women’s Foundation of South Palm Beach County for their support of our Teens Against Relationship Abuse (TARA) Program.
CAREER & EMPLOYMENT SERVICES

After moving from Brazil to South Florida with her daughter, Denise struggled to find the job that was right for her, even though she had a degree in biomedical science. Unable to provide for her family, she felt stuck.

Seeking a solution to her dilemma, Denise attended the Steps to Success workshop series. Here, she learned about trends in the South Florida market and how best to present herself during interviews. She then met with a Career Strategist to guide her through the proper steps to achieve her career goals. The JFS Career and Employment Services team also provided her financial assistance to train as a Certified Nursing Assistant and obtain additional EKG and phlebotomy certifications.

Within a month, Denise passed all state examinations and was hired as a private CNA. With the help of JFS Career and Employment Services, she is now able to support her daughter and is earning experience towards becoming a Physician’s Assistant.

DENISE

SPECIAL NEEDS

Jana is a single mother of three who was struggling to provide her children with the support they needed in school. One of her children, Leo, has a learning disability and is on the autism spectrum, which required special assistance from academic support services that were out of her reach. Another of her children, Laura, also needed help navigating everyday social life.

Jana turned to a JFS School Outreach Coordinator for help, who referred her to the Special Needs Community Liaison. She received financial assistance to give Leo the special tutoring he needed to meet and exceed educational milestones for his age group. This also enabled Leo to attend classes with the Students Growth Center to improve his social skills. Laura also received a personal mentor through the JFS Community Mentoring Program, which gave her the insight and confidence to thrive in school. With the help of JFS, Jana was able to give her children tools that will build foundations to succeed throughout life.

JANA

SPECIAL NEEDS
Billy, a third-grade student, was coping with his parents’ recent divorce. Moving from one parent’s home to the next every other day deeply affected him, causing him to frequently act out in school. After being called into countless meetings with teachers, guidance counselors, and eventually the principal, Billy’s parents sought the Counseling Services at JFS to help their son.

Billy began meeting with a JFS Community Outreach Coordinator on a regular basis. During the sessions, she noticed that Billy acted differently when he was away from classmates and authority figures and suggested individual counseling. Billy was then able to calmly express his feelings and describe what made him upset. This allowed the Outreach Coordinator to recommend a personalized solution. His parents noticed that his behavior began to improve drastically as he continued with therapy. Billy soon stopped getting in trouble at school. Both he and his parents were happy he had someone to turn to for help.

a 29-year-old mother, struggled with both drug and alcohol abuse for years while caring for three young children. Her addiction made it difficult to support her children and led to several legal issues resulting in criminal charges. She then decided to seek help for her substance use problem and contacted JFS for support.

Through our efforts and help from community partners, Jamie was given the opportunity to attend a women’s outpatient program in Delray Beach at no cost. With additional assistance from our Career and Employment Services, she was also able to get a full-time job to better support her children. Jamie remained dedicated to her counseling sessions and made a positive turn in her life. After demonstrating this to the courts, she had all charges against her dropped. She recently reached out to let us know that, as a result of our help, she has 6 months of continued freedom from alcohol and drug use.
Volunteers remain critical to JFS’ success as the Agency would not be able to provide help to as many people in our community without their gift of time and talent. Each year over 1,000 program and special event volunteers, donate the equivalent of nearly 40,000 hours of service to JFS. Our volunteers mentor children and teens, lead Shabbat services at assisted living facilities and nursing homes, provide rides for seniors in need of transportation, deliver freshly prepared meals through our Adele Loeb & Les Nackman Meals on Wheels program, and reduce the isolation of homebound seniors through daily telephone calls, friendly visits and care packages.

Once his two sons left home for college, Eric missed the cherished relationship they had, and sought that same father-son bond with kids who may not have experienced it. So, Eric volunteered with our Mentoring Program and has since proved to be an invaluable member. He was matched with his first mentee, Joe, several years ago. They quickly formed a close relationship, enjoying everything from basketball and mountain biking to dinners, movies, and genuine conversations. After a while, Joe asked Eric if his friend DJ could join in their activities, and Eric was happy to take on an additional mentee. Eric has since expanded his support to tutoring both boys, training them in interview skills, and introducing them to professionals in their fields of interest. As a result of this mentorship, they have developed strong relationships with others, exceeded academically and are well on their way to being accepted into college and leading successful careers.

*In-Kind Donations

Thank you to our 2019 Corporate Sponsors.
JFS wishes to express our thanks to the following dental professionals who provide pro-bono dental services to JFS clients as part of the DASH Program (Dentists Assisting Survivors of the Holocaust.)

In addition to being a regular JFS client who is a survivor of the Holocaust, they must meet strict financial requirements. Dental care is especially necessary for Holocaust survivors because of the malnutrition they suffered in concentration camps. The JFS DASH Program has been incredibly successful due to the generosity of our participating providers. For more information on the DASH Program, contact Susan Price, MSW, JFS Geriatric Care Manager and DASH Program Coordinator, at 561.852.3333 or SusanP@ralesjfs.org

So Many Ways To Give

Annual Giving
Every contribution helps give hope to the people who need it most. Your annual donation supports the full range of vital programs and services Ruth & Norman Rales Jewish Family Services (JFS) provides to the community.

Memorial and Tribute Gifts
Gain the satisfaction of giving a truly meaningful gift by honoring a special occasion or making a gift in memory of someone with your tax-deductible tribute to JFS.

Legacy Gifts
A legacy commitment is your way to leave financial resources to JFS for the future needs of our community. Legacy commitments will help your family realize their philanthropic vision.

Corporate Sponsorship Programs
Many opportunities exist to become a corporate sponsor in support of the agency. Packages include support of events, departments, newsletters & more.

There Are Many Ways to Include JFS in Your Legacy Planning

SEEING IS BELIEVING
Judi & Craig Donoff have seen first-hand how the many JFS programs assist our community from children to seniors; that’s why the Donoffs have chosen to convert their Donor Advised Fund into a permanent endowment to ensure the continuity of these programs after their lifetime.

GIVING IS A FAMILY TRADITION
Ilanna and Samy Dwek wanted to continue their family’s tradition of supporting their local community and always giving to those most in need. That is why the Dweks chose to make a bequest in their will to JFS, ensuring the continuity of our programs after their lifetime.

HOW BLESSED ARE WE?
This question is frequently posed by Diane & Larry Feldman when surrounded by the seniors they support through the Feldman Family Diamond & Adventure Clubs. That is why the Feldmans chose to make a bequest in their will to JFS, ensuring the continuity of our programs after their lifetime.

MAKING AN IMPACT
Michele and David Katzman are dedicated to helping others. In order to ensure the continuity of their impact after their lifetime, they chose to name JFS as a beneficiary in their IRA.

YOU CAN TOO. FIND OUT HOW.

CREATE A JEWISH LEGACY
Imagine creating a lasting testament to the value that you hold most dear. Creating your legacy is not only deeply fulfilling, it also requires far less out-of-pocket funding than you may realize. In fact, legacy gifts come with tax breaks and benefits that make it a smart move for anyone’s estate plans. The JFS Visionary Society recognizes individuals who have secured our future through a planned gift commitment of $100,000 or more. Please join the following donors who have notified us of their plans to include JFS in their estate plans:

* OF BLESSED MEMORY
A CELEBRATION OF OUR FIRST 40 YEARS 1979 - 2019

JFS IS BORN

JFS becomes the first beneficiary agency of the Jewish Federation of South Palm Beach County. Counseling services were initially offered by a part-time social worker from a small storefront office on Federal Highway in Boca Raton. Eventually, offices moved to Spanish River Blvd. before relocating to the current campus in 1991.

1985

Berenice Shankerman (z’l) is named the first President of the JFS Board of Directors.

1989

The annual Thanksgiving Banquet for seniors with no place to go, begins. Originally funded by Larry Phillips (z’l) and Ellen R. Samoff (z’l), today this annual event feeds over 700 people with the help of 300 volunteers.

1994

The Kibbitz and Ride program is started. Recognizing how difficult it can be when seniors give up the keys to their cars for safety, JFS started a program to use volunteers to drive senior clients to shopping and doctor appointments. This program still exists.

1996

Larry Phillips (z’l) and Ellen Samoff (z’l)

1999

Volunteer Driver, Fred Budaram and Rider, ROWANA KISS

JFS is renamed Ruth Rales Jewish Family Service with a gift from Norman Rales (z’l). Having grown up in the Hebrew Orphan’s Asylum (HOA), Norman Rales never forgot the importance of helping those less fortunate.

L-R D. Nathanson, K. Epstein (z’l), D. Gersh, M. Bobick, S. Gellert

L-R A. Wolcott, B. Levine, J. Gersh (z’l)

Recognizing the many hungry families living in our community, JFS opens a food pantry on the Federation campus feeding 32 families.
The Jacobson Family gathers to celebrate the opening of the Jacobson Family Food Pantry.

The JFS food pantry relocated to a new 2600 sq. ft. facility and was named the Jacobson Family Food Pantry with a generous gift from Anne and Norman Jacobson. The pantry provides bi-monthly food deliveries to over 600 households needing help with one of life’s most basic necessities.

At the Annual Gala it is announced that the Norman and Ruth Railes Foundation made a generous $2.4 million gift to establish the Center for Families and Children creating five new programs at the agency geared to helping JFS raise its profile in serving families and children.

Stephanie and son, Ari Manswitch, utilizing the walking machine that JFS provided him through JFS Center for Families & Children’s Special Needs Services.

As a result of the significant increase in deaths due to opioid overdoses within our community, JFS, in partnership with the Jewish Federation, launches JFS CARES (Community Awareness, Resources and Education for Jewish families with loved ones with Substance Use Disorders) and hires our first certified addictions counselor. The program provides support to families, as well as educational opportunities throughout the community.

JFS CARES Committee hard at work.

2000 - 2009

JFS establishes the Holocaust Survivor Assistance Program. This program continues to this day and provides case management, financial assistance, home care and socialization for over 400 local Holocaust Survivors.

JFS broke ground on a community center to serve the residents in the area. One year later, the Shirley and Barton Weisman Delray Community Center opened with a generous gift from the Weismans. Now a focal point for seniors in the area, the Weisman Center has close to 1500 members.

BUILDER Andrew Weisman and Architect, Randal Staff.

2012 - 2013

JFS won the Area Agency on Aging’s Outstanding Provider Award for dedication and excellence in serving seniors during Hurricane Wilma. JFS continues to be an integral part of hurricane response both pre- and post-major weather events.

Congressman Ted Deutch, his children with local residents who are receiving food from JFS.

2018 - 2019

JFS renames the agency to include Norman Railes’ name to honor his legacy of financial and personal support for the agency, and his commitment and passion for helping those less fortunate. The agency is now called Ruth & Norman Railes Jewish Family Services. Josh Railes, one of Norman and Ruth’s four sons, attends the ribbon cutting ceremony unveiling the new name.
