Our Mission

Ruth & Norman Rales Jewish Family Services (JFS) offers help, hope and humanity through our comprehensive range of programs and services which support people of all ages and beliefs.

With locations in Boca Raton and Delray Beach, JFS programs and services include food and financial assistance, senior services, counseling and mental health services, vocational and employment services, as well as many volunteer opportunities.

Funding is provided by individuals, corporations, grants, special events and donors who support our mission and bring hope to thousands in need.

Message from the Board Chair and the President & CEO

Dear Board Members, Friends, Supporters, Volunteers, Partners and Neighbors,

We are privileged to present you with the 2013 Annual Report of Ruth & Norman Rales Jewish Family Services (JFS). Our fiscal year ending August 31, 2013 was another sensational year for the agency.

During 2013 we expanded our Senior Services to include a Senior Companion Training Program through a grant from the Palm Beach County Workforce Alliance. This grant enabled us to train adults over 55 with low employable skills and provide them with training and experience to become paid companions. As a result, JFS applied for and received our Homemaker and Companion License from the Agency on Health Care Administration (AHCA) and began filling a need for companions in the community. Funds were also secured to start a senior subsidy program for in-home care. The programs at the Weisman Delray Community Center expanded with the implementation of the Feldman Family Adventure Club, which is in addition to the Feldman Family Diamond Club. A part-time nurse was also added to the Center and provides consultation services to our members and clients.

Our counseling and mental health department continued to grow with the addition of in-home counseling and the expansion of our hours of operation to include Thursday evenings. Our psychological testing department and psychiatry departments once again saw increased growth as more families accessed our affordable mental health services.

One of the biggest highlights of 2013 was the opening of the Jacobson Family Food Pantry which is now providing individuals with both shopping and delivery services. During the year we began the planning stages of a “Meals on Wheels” program. Financial assistance requests continued to grow as the economy continues to stagnate as a result of the government sequestration and cuts to entitlement programs like the Supplemental Nutrition Access Program (SNAP).

We continue our efforts to leverage partnerships with other agencies while keeping a keen eye on the bottom line. All of these efforts strengthen our ability to provide innovative programs and services for the community. None of this could ever be accomplished without the efforts of our dedicated board, staff, volunteers and YOU, our supporters. We express heartfelt gratitude to all of you whose generosity helps us provide hope to those living in Boca Raton, Highland Beach and Delray Beach.

Please join us in taking pride in our accomplishments in 2013 and looking forward to good things in the year to come.

Sincerely,

Jon S. Kimmel

**Highlights**

Rona Blumkin’s face lights up when her Senior Companion, Ann Fox, arrives on Tuesdays and Thursdays. Each week Rona and Ann share a few hours together, shopping and socializing. Ann also helps Rona with some household chores and takes her to Dr. appointments. Rona’s late husband Jack was also a Senior Companion client. Jack’s Companion came each week to keep him company and allow Rona to have some much needed respite time. Since becoming widowed, Rona has had her own Senior Companion. Rona says “knowing that Ann is coming gives me something to look forward to.” Rona’s children, who live in New Jersey and Washington D.C., have peace of mind, knowing that a caring person is there for their Mom. Ann says “I enjoy being helpful and we have a good time together.”

JFS would like to recognize Horizon Nursing as the 2013 Senior Services Sponsor.
OVER 1600 MEMBERS enjoyed a number of activities from arts and culture to health and wellness, lectures, movies, entertainment and socialization. Now three years old, the Weisman Delray Community Center continues to have a positive impact on the community providing a place where those 60 and older can congregate and enjoy life while accessing vital social services in a beautiful, modern space.

Nurse Brenda & Jay Glogower

Over 1600 members enjoyed a number of activities from arts and culture to health and wellness, lectures, movies, entertainment and socialization. Now three years old, the Weisman Delray Community Center continues to have a positive impact on the community providing a place where those 60 and older can congregate and enjoy life while accessing vital social services in a beautiful, modern space.

Nurse Brenda asked Jay to take his blood pressure. He was reluctant but another member convinced him to give it a try. Nurse Brenda found his pulse was very low. She immediately called the doctor’s office and an appointment was set up that same day.

Jay underwent an EKG and a chemical stress test where it was determined that one of his medications had to be eliminated and one changed. The doctor has Jay wear a 24-hour halter monitor to record his heart rhythm. Abnormalities showed up and he was scheduled to get a pacemaker. The procedure was a success and Jay is under a doctor’s care with regular checkups.

He returned to the center within a few days and he proudly tells all, “Brenda saved my life. She’s an angel.”

In 2013, 3,110 classes were offered throughout the year.
Each day approximately 350 people visit the center.

JFS offers counseling to individuals and families (including children), many support groups, workshops, psychiatric assessment and medication management, psychological testing services, mentoring programs and a free drop-in center for adults living with mental illness and/or developmental disabilities.

JFS clinicians provided over 6,430 therapy sessions to 401 clients.
Over 11 children received affordable psychological testing services from JFS.
55 people received 279 sessions with our psychiatrist.
The Welcome Home Program provided 70 members with a free drop-in center to help them achieve their maximum potential.
2,336 people called JFS for information and referral services from our counseling department.

Linda

Linda is a 32 year old woman who came to JFS with symptoms of depression and anxiety. She had survived a traumatic childhood, filled with physical abuse and neglect by her abusive parents. By the time she contacted our agency for help, she had been severely depressed for over three years.

After ending a physically and emotionally abusive relationship with a man that she had been involved with for almost four years, she moved in with her sister’s family. Unable to find employment and having no motivation to attend college, she felt she had lost her direction and saw no way to change her life for the better. Through counseling she was able to work through the painful issues that still haunted her from her childhood and began making goals for her life moving forward. Today, Linda is living in her own apartment, is enrolled in college part time and has been employed full time for almost two years. She has been able to make long term plans for her future and hopes to go into nursing in order to help others.
FOOD & FINANCIAL ASSISTANCE

JFS provides a lifeline to individuals and families in crisis, providing emergency funds for basic necessities and other needs, including families with special needs children. We also provide interest-free loans through the Hebrew Free Loan Society and educational school loans through the Jewish Educational Loan Fund. The Jacobson Family Food Pantry provides bi-monthly food packages to qualified seniors, individuals and families providing much needed sustenance to those in need. Meals on Wheels provides a prepared meal to those seniors no longer able to cook for themselves.

HIGHLIGHTS

Throughout 2013 JFS provide over $220,000 in financial assistance to 1,400 individuals in crisis. Between November 2012 and August 2013 over 12,000 lbs of food were donated to the Jacobson Family Food Pantry. 48 individuals selected to “shop” for their food at the Jacobson Family Food Pantry. 12 volunteers delivered food packages to home bound seniors in Century Village each week. 53 food drives were held throughout 2013 helping stock our shelves at the Jacobson Family Food Pantry. Over 79,625 lbs of food was delivered throughout the year.

Elinor

Elinor was born in 1925 in Bronx, New York. After completing high school, Elinor went to work for the Social Work Vocational Bureau - a professional employment agency for Social Worker’s. Elinor was married in 1944 after working for seven years when she retired to become a stay at home mom. Elinor moved to Delray Beach in 1977 and went to work in 1979 as an executive secretary, then, retired in 1987. Elinor is currently president of her association in Kings Point. After Elinor’s husband died her income was greatly diminished and a friend told her about the Jacobson Family Food Pantry at JFS and she has been a recipient for the past six years. “When the pantry opened in Delray it was just amazing to me because I could go to the pantry and select the items and brand names that I have been using all along. The shelves in the pantry are always well stocked and Dennis and his staff are always pleasant and happy to help in any way possible.”

Norma

Norma Emerik, 67, resides in Boca Raton. Norma was a registered nurse until her retirement a year and a half ago. Norma says that nurses are “patient” people and always knew that when she retired she would volunteer “as a way of giving back to the community.” Norma volunteers for the Jacobson Family Food Pantry at JFS in a number of ways. She participates in the monthly food bagging at the pantry, delivers groceries to Century Village clients every other Thursday and delivers for the agency’s Meals on Wheels program on Fridays. “It does my heart good to see these wonderful people that I deliver much needed food to.”

VOLUNTEER SERVICES

Volunteers remain critical to our success and we would not be able to provide help to as many people in our community without their gift of time and talent. Each year over 300 individuals and families, including many teens, donate the equivalent of more than 25,000 hours of service to JFS. Our volunteers mentor children and teens, lead religious services at assisted living facilities and nursing homes, provide rides for seniors in need of transportation, provide care to uninsured adults, and reduce the isolation of homebound seniors through daily telephone calls, friendly visits and care packages.
